

Sometimes you leave a bar and life just seems a little better than before? Then you had not only a good drink, but also a talented bartender. Whilst mixing fantastic drinks, a good bartender is an observer, listener, story teller, psychologist, rockstar, cool head, organizational talent, magician, combining style and easiness, humour and reluctance, modernity with real classics, seeming to have a memory like an elephant – simply fascinating. If you felt like we are right talking about you whilst reading this: Come and create experiences here with us at our particular BIKINI Island & Mountain Hotel Port de Sóller, Mallorca.
